What more could the advice forum do to be more relevant to the needs of local advice providers?

What has been the nature of the relationship between the advice forum and the Local Authority/CLSP (or other relevant local strategic body)?

What further role (if at all), would you like to see the LA of other relevant local strategic body play in the advice forum?

What other issues/topics or activities would you like to see included in future the advice forum meetings?

- Ongoing responses to legislation/ & advice services
- development
- More outside speakers
- Advice centres sharing what they do
- Training opportunities
- Funding and funders of advice
- Community legal Service Partnerships
- Other (please state)

Would you like to see more or less discussions on any of the following areas of law?
(Please mark more or less by each area)

- Welfare benefits
- Housing
- Debt
- Immigration
- Health
- Employment
- Racial discrimination/harassment
- Consumer/general contract
- Other (please state)

What should be the three main priority issues/topics that the advice forum should focus on over the next three years?

What if any, might be the fundraising priorities that you identify for the advice forum?

Advice Forums

Are you happy with the current venue/administration of the advice forum meetings?

Yes/No/Unsure (Delete as appropriate)

If you are not what would you like the venue arrangement or administration to be instead?

Are there any other comments that you would like to make?
