

BLACKPOOL ADVICE LINK NETWORK
Membership Agreement

The Advice Link Network is a partnership of local advice providers including public, statutory, not for profit and private practice organisations. The aim of the network is: -

'To maximise the provision of consistent, comprehensive, quality legal information and advice to enable individuals to fully access their rights and entitlements.'

Legal information and advice is defined as any information and advice relating to residents rights and responsibilities. Information includes directing people to providers of advice and help as well as provision of information about rights. The Network covers people using services within the boundary of Blackpool Borough.

Agreement

We, the undersigned, are committed to the development of the Advice Link Network and Community Legal Service for the benefit of the people of Blackpool. On behalf our organisation we agree to: -

- Support the Advice Link Network activities as described in the terms of reference
- Abide by the terms of reference of the network
- Conduct business according to the spirit of Blackpool Compact
- Support the aims and objectives of Blackpool Community Legal Service Partnership Strategic Plan.
- Work towards the Community Legal Service Quality Mark or equivalent standard within 12 months
- Take part in the referral scheme.
- Disseminate information to appropriate people and organisations.
- Promote the Network
- Promote equality of access to and provision of services for all people
- Be listed on the Advice Link database and have contact details circulated
